2023-2024 Community Created

# **Nature Brainstorming**

While observing nature or thinking about an expereince in nature complete the following.

List words that describe the environment. Think about your five senses. What can you hear, touch, smell, see, or taste? Be specific. Describe or draw any interesting natural objects, animals, plants, and/or weather that you observe. What words would you use to express your feelings about being in this environment? Arkansas Museum of Fine Arts Community Created is supported by the Alice L. Walton Foundation.

# **Create a Nature Cinquain Poem**

A cinquain poem has five lines with a structure based on the number of syllables in each line.

## Directions:

Write one or two cinquain poems by following the five-line structure provided.

### Structure:

Two syllables naming the poem subject Four syllables describing the subject (adjectives) Six syllables showing action (verbs) Eight syllables expressing feeling or observation Two syllables describing or renaming the subject

### Example:

Summit Rocky windy Climbing striving upwards Embrace the incredible view Mountain
