### PERMISSIONS

By submitting work to Community Created: America 250, you agree to the following:

The Arkansas Museum of Fine Arts reserves the right to omit any postcard from submission, display, or installation for any reason. Postcards will not be returned to the sender, and all works become part of the Community Created project archive. AMFA retains the right to reproduce any submitted work in print, digital, broadcast, promotional, educational, and archival materials. Submitted postcards and images may be reproduced and used for marketing and outreach, including social media, publications, and the Museum's website. Names of participating individuals, schools, and organizations may be shared publicly to promote the installation. Submission constitutes agreement to receive email communication from the Arkansas Museum of Fine Arts related to this project. Submission of artwork implies permission from the participant and, if applicable, their parent, guardian, school, or organization. Entrants agree to all conditions set forth in this prospectus and on this form.

I am 18 years of age or older. If I am submitting this form on behalf of minors, I confirm that I have obtained all necessary permissions from their parents, guardians, school, or organization, and agree to the submission terms and conditions.
