

# Summer 2026 Supply Lists

## *Table of Contents*

Supplies are included for all workshops and Art For Two experiences. Some multi-week classes include supplies as well. If so, that will be noted in the class description on the [AMFA website](#).

For multi-week classes where supplies are not included, the required supplies are listed according to the directory here. For drawing, painting, and printmaking classes, visit [Art Outfitters](#) in Little Rock to purchase your supplies. For all other classes, please see our list of suggested retailers.

If you have any questions, please attend your first class and speak with your instructor before purchasing supplies.

## Ceramics

For any Art For Two or workshop, students do not need to purchase any tools or supplies. Clay, tools, and materials will be provided unless specifically stated in the workshop description.

For any multi-week ceramics class (beginner, intermediate, or advanced), students need to purchase the tools listed below.

Please browse the selection of [supplies available for ceramics in the Museum Store](#). To make a purchase via the online store, please create or use an existing Shopify account.

Fused Glass, Glass Cane Design	10

## Fused Glass and Glass Cane Design

We only use Bullseye 90 COE (coefficient of expansion) glass in our glass studio for all fused glass classes. All glass supplies must be purchased through the [AMFA Museum Store](#).

**The minimum you can expect to spend during this class is \$85.00 for materials.**

Below is a resource list for materials, tools, and equipment used in the class:

Materials/Tools	In-Class Use
Dust mask or respirator	These are necessary when using frit powder and working in the cold working studio.
Notebook, pens, and pencils	These items are for note taking and drawing your designs.
Digital camera or cell phone camera	These are used for photographing your work.
Sharpie markers	For marking glass especially when cold working studio.
Metal ruler, 15 or 18 in.	For measuring glass.
AMFA provides paper towels. You can also bring lint free cotton or rags (a well-washed cotton t-shirt works great, too).	For cleaning glass.
Small inexpensive paint brushes (1/4 in. and 1/2 in. sizes are most useful)	Useful when applying glass frit or when using Glassline paints.
Freezer-grade sandwich or quart-sized plastic bags	For storing small glass fragments.
